## STUDIES

### 2018-2019 HE2B ESI

IT MANAGEMENT

- Programming, Graphical Interfaces, Database
- Java
- MySQL
- HTML, CSS, Javascript

## ABOUT ME

Passionate about the fascinating world of the web, I was interested in different programming languages. Versatile, I learned to make creative and original websites. Today, I am looking for any new opportunity that would allow me to take on new challenges and deepen my current skills.
